AUGUST 26-28, 2021

3 DAYS / 2 NIGHTS

\$1,399PP (DOUBLE) / \$1,599PP (SINGLE)

Enjoy three days in the biggest city of Africa and discover all its famous sites such as the famous Pyramids of Giza, Sakkara, the Egyptian museum including King Tutankhamun's treasure, and finally a glimpse of the Islamic and Coptic sites of the city.

DAY 1 - Arrive in Cairo and transfer to your hotel for check in. Once you have settled in your room you have the option of enjoying dinner in the restaurant of the hotel before heading to bed.

DAY 2 - After breakfast in the hotel, commence your journey by visiting the Citadel of Salah El Dine located at the foot of the Mukattam Hills. Savor a delicious lunch served at a deluxe restaurant followed by a visit to the Egyptian museum of antiquities. One of the world's most important collections of ancient artifacts, the Egyptian Museum takes pride of place in Downtown Cairo, on the north side of Tahrir square. Inside the great domed, oddly pinkish building, the glittering treasures of Tutankhamun and other great pharaohs lie alongside the grave goods, mummies, jewelry, eating bowls, and toys of Egyptians whose names are lost to history. To walk around the museum is to embark on an adventure through time. Transported back to the present, head back to your hotel for some free time to relax and refresh before beginning your evening activities. Board your coach and be taken back to the Pyramids to attend the spectacular sound and light show in front of the Pyramids of Giza. Next, visit the Pyramids of Giza, known to be the only remaining wonder of ancient times. The Three main Pyramids of Giza were built as tombs to preserve each of the pharaohs' mummified body for eternity. Following the pyramids head southeast where the reclining Sphinx is located, carved out of solid rock around 2650 BC. It is the oldest known monumental sculpture in Egypt and one of the most recognizable statues in the world.

A LOOK BACK AT THE HISTORIC BATTLE OF EL ALAMEIN

AUGUST 29, 2021 | 8:30 AM – 2:30 PM

6 HOURS

\$69PP

The battle of El Alamein was one of the deadliest battles of WWII. During this informative tour, you will learn about how this historic battle unfolded and visit several sites that were significant in the battle as well as the military museum with its extensive exhibits.

Fought in the deserts of North Africa, the Battle of El Alamein is seen as one of the decisive victories of WWII. It was primarily fought between two of the war's most outstanding commanders, Montgomery who succeeded the dismissed Auchinleck, and Rommel. The Allied victory at El Alamein led to the retreat of the Africa Corps and the German surrender in North Africa in May 1943.

Starting from the port, it's a drive of just under 2 hours west to the village of El Alamein. Renowned for its tranquil, scenic beauty and soft, white-sand beaches, it's also the site of one of the most pivotal battles of the war. Today, it is home to a museum and several war cemeteries that commemorate what took place here and those who lost their lives in the battle.

Your first stop is at the Commonwealth War Cemetery. This sobering location is covered with more than 7,000 tombstones that are spread out over a slope that overlooks the desert battlefield. Soldiers from the U.K., Australia, New Zealand, France, Greece, South Africa, East and West Africa, Malaysia and India who fought for the Allied cause were laid to rest here and their gravesites are maintained by The War Graves Commission.

Continuing on, drive to the nearby military museum. Four main halls represent the various countries that participated in the battle and a joint hall displays weapons, tanks and a series of paintings that depict the battle and Egypt's role during the war. Additional exhibits include busts of the generals who planned the battle and maps and charts showing troop deployments.

Next, travel to a bluff that overlooks the sea where you will find what looks like a hermetically sealed sandstone fortress. Within its walls are the tombs of German and Italian servicemen and at its core is a memorial obelisk. Following this stop, drive back to the port, enjoying a boxed lunch on the coach.

SPECIAL NOTE: This tour includes approximately 1-¾ hours of moderate walking that includes a few stairs. The tour is available to wheelchair guests who have a collapsible wheelchair, are able to make their own way on and off the transportation and have a companion to assist them. We recommend wearing weather-appropriate comfortable clothing; sturdy, flat walking shoes with a closed toe; a sun cap; sunglasses, and sunscreen.

**EXPLORE THE WONDERS
OF ALEXANDRIA IN DEPTH**

AUGUST 29, 2021 | 9:30 AM – 4:30 PM

7 HOURS

\$129PP

Spend a full day discovering all of Alexandria's landmark attractions that span centuries of fascinating history.

Your day of touring starts with a drive to the Catacombs of Kom El Shaquafa. Discovered in 1900, the catacombs represent the largest Roman cemetery in Alexandria and include the remains of more than 300 who perished in the city. The catacombs are comprised of three levels that have been carved 90 feet deep into the rock and are accessed by a series of descending steps.

Up next on your day's touring agenda is a visit to Pompey's Pillar, an 82-foot red Aswan granite column with a circumference of 29 feet and was constructed to honor Emperor Diocletian. From here, drive to the Roman Theater. Unearthed during excavations in 1960, this well-preserved Roman theater features galleries, sections of mosaic flooring, and marble seating for up to 800 spectators.

Your morning ends with a relaxing lunch at one of Alexandria's famous restaurants that overlook the brilliant blue waters of the Mediterranean. Following your lunch break, your tour resumes with photo stops at the Citadel of Qaitbay, the stunning Abu El Abbas Mosque, and finally a stop at the unknown soldier monument.

Your final stop for the day is at the Alexandria Library. First commissioned in 295 BC by the Egyptian ruler Ptolemy I Soter, it was one of the cultural wonders of the ancient world. Representatives of Ptolemy traveled the world collecting books for the Library and it was filled not only with books pertaining to Egypt and Greece, but the entire ancient world. At one time the Library even held the original works of Euripides and Sophocles. Along with being a repository for books, it was also a museum, a school, and a center for scholastic research. Sadly, in 48 BC the city fell under attack from Julius Caesar and a massive fire engulfed large parts of the library, destroying at least 40,000 scrolls. There is a lot of speculation about what finally destroyed the library with many believing it was this fire. However, there is also the theory that the library was only partially destroyed by fire but later succumbed to decline over the course of several centuries when scholars were forced to leave the city. In recent years, the Egyptian government and UNESCO joined forces and brought the library back to life as a cultural center for the world.

Filled with memories of a day not soon forgotten, you will drive back to the pier and your awaiting ship.

SPECIAL NOTE: This tour includes approximately 3 hours of easy to moderate walking that includes some steps and natural and uneven surfaces. The tour is not available to wheelchair guests and may not be suitable for those with other mobility concerns. We recommend wearing weather-appropriate comfortable clothing; sturdy, flat walking shoes with a closed toe; a sun cap; sunglasses, and sunscreen.

5.5 HOURS

Find yourself exploring sides of Cyprus that aren't your typical tourist attractions yet give you an authentic feel for the character and culture of the country.

Begin with a lovely drive to the Agios Neophytos Monastery which is nestled in a secluded location within the heart of a picturesque valley. One of the best-known in Cyprus, it was founded in the 12th century by its namesake monk. After being jailed for pursuing an ascetic life, he disappeared into the hills where he came across a small cave in 1159. Over time, he transformed the cave into a chapel and his own living space. Named Enkleistra, it became a quiet monastic community in 1170 when Paphos' Bishop convinced him to take on a student. The number of monks here remained quite small due to Neophytos' strong beliefs against materialism and his desire to remain undisturbed. A pleasant surprise is the incredible Byzantine frescoes found here that date back from the 12th – 15th centuries.

Continue on to Lemona Village where you will visit the family owned Tsangarides Winery. When you arrive, receive a warm welcome by the owner who will share his family history and how the wine making skills and expertise are passed on from generation to generation. Following a tour of the winery, be treated to a sampling of some of their most delicious wines.

Your final tour stop is in the quaint village of Letymbou for a visit to the traditional House of Sofia. During your visit, view the rooms with their original furniture and décor and then see freshly made bread coming out of the oven. You might also have the opportunity to knead your own bread dough and put it in the traditional oven for baking. There will also be a demonstration of loukoumades and halloumi making followed by a tasting. Afterwards, sit down to a taste-tempting traditional Cyprus breakfast before making the drive back to the port in Paphos.

SPECIAL NOTE: This tour includes approximately 3 hours of moderate walking/standing that includes numerous steps and uneven surfaces. The tour is not available to wheelchair guests and is not considered suitable for those with walking difficulties. We recommend wearing weather-appropriate comfortable clothing; flat walking shoes; a sun cap; sunglasses, and sunscreen. Shoulders, legs, and midriffs must be covered when entering religious sites.

Dive into the past by exploring the Rock & Sanctuary of Aphrodite. Experience the famous Paphos Sea Caves while enticed by its unique beauty.

Your day begins with a visit to Petra tou Romiou, otherwise known as the Rock of Aphrodite. Legend claims that Aphrodite, goddess of beauty and love was born from the sea foam and carried by the waves to this spot. In ancient Greek civilization, the cult of Aphrodite, the "Cypriot" goddess was undeniably the most important. Archaeological evidence and inscriptions throughout Cyprus bear witness to the existence of numerous sanctuaries and temples dedicated to the goddess.

The next stop of your journey takes you to the Sanctuary of Aphrodite at Palaipafos, located in Kouklia Village. This was one of the most important city-kingdoms of Cyprus, as well as the first Cypriot site to be included in the UNESCO World Heritage List in 1980.

Enjoy an outside visit before heading to Ayia Paraskevi Church. Located in the village of Geroskipou, this interesting 9th century Byzantine church is a five-domed, three-aisled, barrel-vaulted basilica, making it one of only two such churches on the whole island, and a significant example of Byzantine architecture. According to tradition, the name Geroskipou derives from the sacred gardens of the Goddess Aphrodite, which were located to the south of the village towards the sea, at the point where the ancient pilgrims began their journey to the sanctuary of Aphrodite in Palaipafos. As such, the church may stand on the ruins of an ancient temple dedicated to Aphrodite, although it could also originally have been dedicated to Timios Stavros (the Holy Cross). Today, it is dedicated to the Christian martyr Agia Paraskevi.

Your last stop of the day will take you to the Paphos Sea Caves for a photo stop. The area where the sea caves are located can be described as a unique place of excellent geological beauty and biological interest.

Following your time in the sea caves, you will be transferred back to the pier.

SPECIAL NOTE: This tour includes approximately 3 hours of moderate walking/standing that includes numerous steps and uneven surfaces. The tour is not available to wheelchair guests and is not considered suitable for those with walking difficulties. INCREDIBLE PAPHOS - A UNESCO NAMED WORLD HERITAGE SITE & ARCHEOLOGICAL PARK

SEPTEMBER 1, 2021 | 10:30 AM – 2:00 PM

3.5 HOURS

\$85PP

Discover several of Paphos' marquee attractions that have led to the city being named a UNESCO World Heritage Site.

The legacy of Paphos' remarkable history is such that it is considered nothing less than an open-air museum which led to UNESCO including the entire town as a cultural heritage location.

Begin with a short drive from the pier to the Basilica of Chrysopolitissa and the Pillar of Saint Paul. The Pillar is said to be the location where St. Paul was flogged for preaching Christianity and has become a popular pilgrimage stop. The Basilica was built in the 4th century A.D. and the remains of several granite and marble columns in Corinthian style can still be seen, as well as some preserved pieces of mosaics from the original floor.

Next, drive to the Tombs of the Kings that date back to the Hellenistic and early Roman periods. These tombs and underground chambers were carved from rock and were made to resemble the houses of the living. Although the tombs belong to high-ranking officials and aristocracy rather than kings, due to the size and splendor of the tombs, they gained the moniker of Tombs of the Kings.

The final stop is at the House of Dionysos, thought to have been built around the end of the 2nd century AD and later abandoned after the destructive earthquakes of the 4th century AD. The large villa with its central courtyard is perhaps the most impressive archaeological site in Paphos and depicts the life of the wealthiest residents of Paphos during the Roman period. It is also renowned for having what is perhaps the most impressive collection of mosaics in the Mediterranean.

Following your visit, transfer back to the port.

SPECIAL NOTE: This tour includes approximately 2 hours of moderate walking/standing that includes steps and uneven natural surfaces. The tour is not available to wheelchair guests and may not be suitable for those with walking difficulties. We recommend wearing weather-appropriate comfortable clothing; flat walking shoes; a sun cap; sunglasses, and sunscreen.

DISCOVER THE ICONIC SITES OF PATMOS

SEPTEMBER 3, 2021 | 4:00 PM – 8:00 PM

4 HOURS

\$129PP

Explore Patmos' most iconic sites as you discover its place in history as well as the island's current culture.

Patmos is alive with reminders of its colorful past, mainly relating to St. John as it is reputed to be the location where he wrote his Gospel and the Apocalypse. A monastery dedicated to him was founded in the late 10th century and has since been a place of pilgrimage and Greek Orthodox learning.

Start by making the short drive from the port to the Grotto of St. John where the saint heard the voice of God and wrote the book of Revelation. It was here, in this most sacred spot on the island, that he spent 16 months in exile. The simple cave is now a chapel and place of pilgrimage. Iconostases built into the cave walls depict his visions and where he slept, wrote, and heard the voice of God.

Drive next to the Monastery of St. John the Theologian, built on an ancient acropolis. The monastery's massive 15th century walls and 17th century battlements loom over the town and are in contradiction to its intimate and peaceful interior which features graceful archways, inlaid pebblestone floors, and white-washed buildings. The charming chapel of Christodoulos here is liberally decorated with frescoes. The Treasury here, which is now a museum, houses a breathtaking collection of jeweled chalices, crowns, crucifixes, vestments, and old manuscripts. Perhaps one of the most important, or perhaps the most important artifact found here is the Codex no. 67, also known as The Purple Codex which contains extracts from the Gospel according to St. Mark.

Leaving the monastery, stroll through the nearby winding streets where houses date back to the 16th century and are linked via a maze of steps and quaint lanes that are interspersed with small squares. The silent, shuttered villas you will come across are owned by Athenians who prefer Patmos' relaxed lifestyle over the hectic pace of Athens.

Next, join your coach and drive to the 300-year-old Simandris House for a visit. Inside you will find a rich collection of antiques and architecture that showcases an interesting combination of Oriental tradition, blended with the Western style that was favored in the 19th century. Afterwards, before returning to the port, relax at a local taverna where you can sample some tasty mezes (appetizers) and Greek wine or ouzo while enjoying a traditional Greek dance performance.

SPECIAL NOTE: This tour includes approximately 2 hours of moderate walking/standing that includes steps, inclines, and uneven cobblestone surfaces. Catch a glimpse of Mykonos' quaint villages and Monastery of Panagia with this panoramic tour.

Depart from the port to start your scenic drive through this precious island. Mykonos is perhaps the most famous of all the Greek islands, renowned today for its nightlife and beautiful beaches. Mykonos had substantial influence during the Greek War of Independence before it was rediscovered as a picturesque location for filming.

During your drive, you will visit the quaint villages of Ioannis, Ornos and Kalafatis. Continue to Ano Mera, perhaps the most traditional of the island's villages.

Following your time in the village visit the Monastery of Panagia Tourliani, dedicated to the protector of Mykonos. It was founded in 1580, but the building you will see today dates only to the 18th century. Inside the chapel, you will see various icons depicting scenes from the New Testament.

Once you complete your visit to the Monastery you will proceed back to the pier.

SPECIAL NOTE: This tour includes approximately 2 hours of moderate walking/standing that includes steps and uneven surfaces. The tour is not available to wheelchair guests and may not be suitable for those with walking difficulties. Those who are prone to motion sickness should take the appropriate precautions prior to the start of the tour. We recommend wearing weather-appropriate comfortable clothing, flat walking shoes with a non-slip sole, a sun cap, sunglasses, and sunscreen.

MYTHICAL, MAGICAL ANCIENT DELOS

3.8 HOURS

\$119PP

A visit to Delos will be one of the highlights of your holiday. The breathtaking ruins found at this remarkable UNESCO World Heritage Site will leave you with a lasting memory of what this once great Mediterranean city was like during its glory days.

Believed to be the mythical birthplace of the Goddess Artemis and God Apollo, Delos was dedicated as a major sanctuary to the God Apollo, the Olympian god of prophecy, music, healing, and more. The sanctuary attracted pilgrims from all corners of Greece, creating one of the wealthiest and most revered shrines of antiquity. The archaeological site is exceptionally extensive and conveys the image of a great cosmopolitan Mediterranean port. There are no inhabitants on the island now and its landscape consists solely of ruins that have been systematically excavated since 1872 and a museum.

Stepping off the boat, you will be introduced to one of the island's most spectacular relics, the Avenue of the Lions where perfect replicas of the 7th century Naxian marble beasts crouch in silent vigilance at the sacred lake where Leto gave birth to her twins. Beyond here lies a path that leads to Mt. Kynthos, where myth has it that Zeus observed the event. There is a wealth of other monuments found here as well.

Following your exploration, you will return to Mykonos by ferry boat.

A visit to Delos will be one of the highlights of your holiday. The breathtaking ruins found here will leave you with a lasting memory of what this once great Mediterranean city was like during its glory days.

A short boat ride from Mykonos lies this remarkable UNESCO World Heritage Site. Believed to be the mythical birthplace of the Goddess Artemis and God Apollo, it was dedicated as a major sanctuary to the God Apollo, the Olympian god of prophecy, music, healing, and more. Not only will you be able to view the site in real-time, but also aided by the use of Augmented Reality software, whereby participants will each be provided with a tablet that will enable them to view Delos as it once was. This technology combines the camera's content with a virtual one, creating a mixture of the real-time camera's video with several virtual elements. Just point your tablet's camera at various locations at the site and you can view them in their original form as they stood thousands of years ago. Simply amazing!

DISCOVER THE TWO FACES OF MYKONOS – AUTHENTIC TRADITIONS & COSMOPOLITAN PLEASURES

SEPTEMBER 5, 2021 | 9:30 AM – 1:45 PM

4.3 HOURS

\$99PP

Perhaps the most cosmopolitan of all the Greek Islands, Mykonos is renowned for its wonderful hotels, vibrant nightlife, and gorgeous beaches. This combination tour visits many of the island's highlights that have made it one of the most popular of all the Greek Islands.

Your tour starts with a scenic drive through quaint villages and on to the beaches of Ornos and Kalafatis where you will have a stop to walk about and take photos. Then it's on to Ano Mera – perhaps the most traditional of the island's villages. Situated in the center of the island, it is definitely lacking the crowded touristic atmosphere that permeates Mykonos Town. Nearby is the Monastery of Panagia Tourliani, and the location of your next stop. Founded in 1580, the current building only dates to the 18th century. Within the chapel, some exquisite icons depict scenes from the New Testament.

Returning to Mykonos Town, commence a guided walk that showcases the lifestyle and history of this unique enclave. Stroll the narrow streets lined with white-washed houses and discover that the streets were designed in this somewhat confusing maze to foil attacking pirates. Step inside the Archaeological Museum for a quick visit and be sure to capture pictures of the delightful Little Venice neighborhood, named so for its striking resemblance to the famous canal city.

Before returning to the pier, stop for some traditional *mezedes* (snacks) and a taste of ouzo.

SPECIAL NOTE: This tour includes approximately 2 hours of moderate walking/standing that includes steps and uneven surfaces. The tour is not available to wheelchair guests and may not be suitable for those with walking difficulties. We recommend wearing weather-appropriate comfortable clothing, flat walking shoes with a non-slip sole, a sun cap, sunglasses, and sunscreen. If the call falls on a Monday, the stop at the Archaeological Museum will be substituted with a visit to the Naval Museum.

THE CRADLE OF WESTERN CIVILIZATION

Athens is still as iconic as ever. Winding pathways from ancient times transformed into modern-day roads and streets lead you to the monumental gateway of the Acropolis and other archaeological sites. It is a land soaked in history and mythology, but not stuck in the past.

ATHENS (PIRAEUS), GREECE

PIR510PST SPECTACULAR PELOPONNESE ADVENTURE CHALLENGE: RAFTING & TREKKING

SEPTEMBER 6-9, 2021

4 DAYS / 3 NIGHTS

\$2,599PP

Geared for our adventure lovers who want to extend their time in Greece, this active exploration of the natural beauty of the Peloponnese region will provide you with unforgettable memories.

DAY 1 - Disembarking the ship, you will commence a morning drive to Arcadia and the fabled Lousios River where legend has it that Zeus, the father of Olympian gods, bathed in the river after his birth. Your exhilarating Class II rafting experience begins in Lousios and travels over the river's surging rapids and under a natural tunnel of trees. Dodge boulders and drop over cascades as you navigate your way through a densely vegetated gorge that leads from the Lousios River into the Alfios River. Along the way, stop in calm areas where you can take a refreshing swim in the crystal-clear waters and later, savor a delicious lunch at an ideal spot alongside the water. Your rafting ends at the marvelous bridge of "Koukos" and from here you will make your way to a charming guest house in Sternitsa where you will overnight.

DAY 2 - This day offers up a spectacular river trek alongside and within the Neda River, interestingly, one of the few rivers in Greece with a female name. Your trekking route passes through stone bridges, alongside narrow cliffs, underwater caves, and impressive waterfalls. Scramble over rocks, balance on natural stone surfaces and in some of the narrower parts of the river gorge, make a short swim in order to continue on. Stop along the way to rest and enjoy a picnic lunch along the banks of the river before resuming your trek. All the effort is well worth it as you will find yourself at the end of your trail in the midst of a breathtakingly beautiful setting, complete with a cascading waterfall and natural river pool where you can go swimming. Transfer back to lodge in Sternitsa where you will have dinner and spend the night.

DAY 3 - Following breakfast, commence a hike into the untouched nature that surrounds the Lousios River gorge, also referred to as the "Mount Athos of the Peloponnese" on account of the monasteries that appear to be literally hanging from the surrounding cliffs. It is hard not to be awed by how these monasteries seeming cling to the sheer cliff faces and have done so for centuries.

During your hike, you will visit the St. John Prodromos monastery which is open to the public. End your adventure at the fascinating archaeological site of Ancient Gortyna which is nestled along the rushing Lousios River that in ancient times was actually called the Gortynios River. Afterwards, transfer to Athens where you will overnight.

DAY 4 - Following breakfast in the hotel, check out, and transfer to the airport where you will catch your flight home.

SPECIAL NOTE: This tour includes 3 days of moderate to strenuous physical activity that includes inclines, scrambling over rocks, natural and uneven surfaces. The tour is not available to wheelchair guests, those with physical limitations or other health concerns. Participants should be in good physical condition. We recommend wearing weather-appropriate comfortable clothing, flat walking shoes with a closed toe that can get wet, a sun cap, sunglasses, and sunscreen. For water activities, we suggest wearing a swimsuit under your clothes and bringing a towel. All safety equipment will be provided. Guests will need to sign a waiver before being allowed to take part in the activities.

PIR401PST
EXPERIENCE ATHENS' HISTORICAL PAST & VIBRANT PRESENT-DAY

SEPTEMBER 6-8, 2021

3 DAYS / 2 NIGHTS

\$2,260PP

Extend your holiday after disembarking the ship and enjoy Athens' most iconic attractions, followed by a day that offers up an exhilarating bike ride and time for relaxing in the sun at the seaside.

DAY 1 - Upon disembarking the ship in Athens, you will be greeted at the pier and commence a tour of Athens. As you head to the Acropolis site, you will pass many of the city's main landmarks such as Constitution Square (or Syntagma Square as it is also known), the Houses of Parliament, the university buildings, the Royal Palace, and the Old Olympic Stadium of Athens. The stadium, which offers fantastic views of the Acropolis, was built entirely of marble and served as the site of the first modern-day Olympics in 1896. However, the true highlight of the tour comes next when you arrive at the foot of the magnificent Acropolis, one of the most famous and photographed ancient monuments in the world. You will leave your coach behind here and set off on a walking tour that will be split into several stages, allowing for the guide to explain its rich history and for you to take short rest breaks. At the summit, there will be some free time to stroll about and admire the ancient temple of Athena Nike and the towering Parthenon.

Following your time at the summit, you will travel back down the mountain and visit the superlative Acropolis Museum that was opened in 2009. There is an immense amount of exhibition space and the way it has been laid out coupled with expansive windows can give the impression of crossing the ancient settlements nestled on the slopes of the Acropolis. Next, travel to the Plaka, the colorful old quarter of Athens that is rich with neoclassical architecture, ancient monuments, and Byzantine churches, not to mention a plethora of shops and cafés. Following lunch here, there will be free time to do some shopping and explore on your own before transferring to your hotel, the Saint George Lycabettus (or similar) for check-in. Located in the heart of Athens, it is notable for having stunning views of the Acropolis. After check-in, relax before dinner and then have the rest of the evening at your leisure.

DAY 2 - After breakfast, change things up and head toward the Athens Riviera. Once here, it's time to climb aboard an electric bike and be introduced to this other side of the city. As you bike along colorful side streets, soak in the local ambience and experience an uplifting bond with the surrounding sea. Mid-day stop for lunch by the beach and enjoy some free time to take a dip in the ocean or bask in the warmth of the sun before transferring back to the hotel.

Your final night takes you to the picturesque Mikrolimano area of Piraeus where you will be treated to dinner at the Varoulko restaurant. The restaurant's menu was created by Lefteris Lazarou, Greece's top-awarded Michelin Star chef, so you can expect an extraordinary dining experience. Later, with a satisfied palate and sense of contentment, head back to the hotel for the night.

DAY 3 - Enjoy breakfast at the hotel, check out and then join your transfer to the airport to catch your flight home.

SPECIAL NOTE: This tour includes 3 days of moderate to physical activity that includes steps, inclines, natural and cobblestone surfaces. The tour is not available to wheelchair guests and may not be suitable for those with other physical limitations or health concerns. Participants should be in good physical condition and comfortable riding a bike. We recommend wearing weather-appropriate comfortable clothing, flat walking shoes with a closed toe that can get wet, a sun cap, sunglasses, and sunscreen. For water activities, we suggest wearing a swimsuit under your clothes and bringing a towel. All safety equipment will be provided. Those who take part in any water activities do so at their own risk and responsibility.
