LIFE ON BOARD

CABINS

Onboard the train there are 15 beautifully restyled carriages, including Pullman, State and Presidential Suites. The former has upper and lower berths while the latter offer two single beds at floor level. Throughout each, a warm ambience flows thanks to cherrywood and elm burr paneling, decorative marquetry and fine fabrics. All cabins are fully air-conditioned and fitted with en-suite showers and bathrooms. The Presidential Suites benefit from a complimentary minibar with guests enjoying private transfers at the beginning and end of their journey.

During the day, berths and single beds are converted into seating from which guests can admire the stunning, ever-changing vistas outside.

EASTERN & ORIENTAL EXPRESS

DINING

Eastern & Oriental Express offers a unique dining experience for guests, featuring a menu that includes a variety of traditional Peranakan dishes that have been reinvented with a modern touch. Classic Peranakan food will be presented with the chef's modern twist using fresh and local ingredients, sourced sustainably from the Peninsula of Malaysia.

The train traverses the Malay Peninsula and passes through areas where Peranakan culture and cuisine have long been established. Paying homage to the cultural diversity of the region, it introduces guests to the unique flavors and ingredients of this cuisine.

OBSERVATION CAR

Located at the end of the train, with its own bar, this is the perfect place to enjoy cocktails and experience escapism. The Observation Car brings a sense of adventure with elegant laid back interiors paired with natural wicker details and pops of colour. There's also an outdoor observation area to enjoy the panoramic scenery and breathtaking sunsets.

PIANO BAR

Located in the centre of the train is the social hub - the bar. The design of the bar has been inspired by the vibrant yellow of the Tiger Orchid flower found in Malaysia and Southeast Asia.

During the evening the train is a glamorous stage for artists to meet and perform. Enjoy a captivating social scene in the bar car with music and vibrant entertainment. Guests will enjoy a range of contemporary performers combining elements of Nanyang jazz, Malay vintage tunes and Western music.

DRESS CODE

The atmosphere on board is one of relaxed refinement. We are sensitive to the varying wardrobe needs of passengers on long journeys and from different regional backgrounds, and wish our guests to be comfortable at all times. During the day dress for relaxed comfort as you move about the train and embark on excursions. We recommend light cotton clothing for sightseeing. We ask that you respect local cultures by wearing appropriate clothing when visiting religious sites. Evenings call for smart-casual attire with a touch of understated elegance, and we suggest a jacket or dress equivalent for dinner. Please refrain from wearing jeans or trainers.
